Offers Over £45,000

Situated in an enviable position looking over to the beautiful Pool Bay on the island of Sanday, this attractive site extends to approximately 3.367 acres (13,629sqm) and enjoys stunning views across the bay and surrounding farmland. Located just a short stroll from a white sandy beach and with direct roadside access, it offers an excellent opportunity to acquire a substantial parcel of land in a highly desirable setting, creating an ideal environment for those seeking a peaceful island retreat.

The property comprises a traditional stone-built barn, a store and the remains of a former house, presenting a range of possibilities for future use. Some improvement works have already been undertaken, with the existing buildings benefiting from upgrades, resulting in structures that appear largely wind and watertight. The buildings are currently used for storage purposes.
Water and electricity are connected to the site (untested), providing a useful base for ongoing use or future development, subject to the necessary consents. The land may appeal to purchasers seeking a private island retreat, holiday base or lifestyle property.

Extending to approximately 3.3677 acres, the grounds offer potential for a range of recreational uses, subject to any required permissions. Buyers considering development opportunities should note that no planning permission is currently in place, and any future proposals would be subject to approval from the relevant authorities.
Interested parties should make their own enquiries regarding any potential future development.
